INDEPENDENT AUDIT REPORT

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF THE AUSTRALIAN PROPERTY SERVICES ASSOCIATION, AN
ORGANISATION OF EMPLOYEES REGISTERED PURSUANT TO
THE FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009
A.B.N. 76 820 470 847

Introduction

I have audited the accompanying financial report, being a general purpose financial report, of The Australian Property Services Association, an organisation of employees registered pursuant to the Fair Work (Registered Organisations) Act 2009, which comprises the balance sheet, profit and loss statement, cash flows statement and the statement of change in equity for the year 1 July 2013 to 30 June 2014, a summary of significant accounting policies, other explanatory information and the Association Committee of Management's declaration.

Committee of Management's Responsibility for the Financial Report

The Committee of Management is responsible for the preparation and fair presentation for the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Fair Work (Registered Organisations) Act 2009. This responsibility also includes such internal control as they determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In my opinion, the general purpose financial report for the period ending 30 June 2014 of The Australian Property Services Association is presented fairly in accordance with applicable Australian Accounting Standards (including the Australian Accounting Interpretations) and the requirements imposed by Part 3 Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

I am also of the opinion that management's use of the going concern basis of accounting in the preparation of the financial statements was appropriate.

The Union has been involved in lobbying and negotiating with different levels of Government and key industry organisations around issues of importance, including but not limited to industrial and compensation matters.

The Union has successfully recruited new members in conjunction with an objective of recruitment and training.

Significant Changes in Nature of Activities

There were significant changes in the nature of activities of the Union during the year.

Restructure Note

As a result of the amalgamation which took effect on 1st March 2014, all assets and liabilities belonging to Property Sales Association of Queensland (PSAQ) became the assets and liabilities of the Australian Property Services Association (APSA).

In accordance with the Rules, those same assets and liabilities were effectively automatically transferred to the new reporting unit known as Australian Property Services Association (Queensland Branch), constituted from and by the members of the de-registered PSAQ.

At the same time, the assets and liabilities belonging to the federally registered Real Estate Association (REA NSW) automatically became its assets and liabilities under its new name Australian Property Services Association (APSA).

However, these assets and liabilities were inadvertently not transferred as required by the Rules to the new reporting unit known as Australian Property Services Association, New South Wales Branch and the inadvertent retention of such assets and liabilities by APSA is reflected in the statement of financial position for the year ended 30th June 2014. This situation expects to be remedied in the 2014/2015 Financial Year, by the transfer of assets and liabilities to the NSW Branch and this should be reflected in the reports for the year ended 30 June 2015.

Significant Changes in Financial Affairs

There are no significant changes to the financial affairs of the organisation.

Superannuation Entity Trustees

Mr Adam Silva, Federal Executive Committee member is a director of Silver Realty No 2 Super Fund, shop 3/ 1 Aldgate Street Prospect NSW 2148.

Membership of the Union

There were 136 financial members of the Union as at 30 June 2014.

Rights of Members to Resign

All members of the Union have the right to resign in accordance with Clause No. 11 of the Union Rules (and section 174 of the Fair Work (Registered Organisations) Act 2009).

Employees of the Union

As at 30th June 2014 the Union had no employees. The Australian Property Services Association has not had to pay or make provisions for employee benefits to persons, because no persons or an office holder was an employee of the Association.

NOTES TO THE FINANCIAL STATEMENTS

Notes to and forming part of the financial statements for year 30th June 2014.

Note 1. Summary of Significant Accounting Policies

1.1 Basis of preparation

The financial report is for the entity of the Australian Property Services Association.

For the period being reported, The Australian Property Services Association, was an organization registered under the Fair Work (Registered Organisation) Act) 2009.

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Interpretations) and the Fair Work (Registered Organisations) Act 2009.

The accounts are prepared implementing "MYOB" v 19.5 accounting system. Financial statements have been prepared using the accrual basis of accounting. The financial statements are presented in Australian dollars.

For the purpose of preparing financial statements the organization is a not for profit entity.

1.2 Statement of Significant Accounting policies

The accounting policies adopted are consistent with those used for the previous organization known as Real Estate Association of New South Wales (Federally Registered) prior to amalgamation.

1.3 Comparative Amounts

There are Comparative figures. When required by Accounting Standards, comparative figures are adjusted to conform to changes in presentation for the current financial year.

1.4 Significant Accounting Judgements and Estimates

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Reporting Unit makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates or assumptions that have a significant risk to the revenue received.

1.5 New Australian Accounting Standards

Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

Future Australian Accounting Standards Requirements

There are no new standards, amendments to standards or interpretations that were issued prior to the sign-off date.

1.6 Revenue

Revenue, including revenue from Schedule E Registrations, is measured at the fair value of the consideration received or receivable.

Revenue from membership fees is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Any interest revenue is recognized on an accrual basis using the effective interest method.

There was no relevant interest received.

The revenue of the federally registered Reporting Unit is currently deposited to a bank account held at the Commonwealth Bank Norwest Branch.

1.7 Cash

Cash is recognized at its nominal amount. Cash and cash equivalents include cash on hand, including deposits held at call with bank.

1.8 Financial Instruments

Financial assets and financial liabilities are generally recognized when the Reporting Unit becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Any transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

1.9 Financial Assets

The Reporting Unit has no assets, property or plant and equipment other than cash held with the Commonwealth Bank of Australia, Norwest Branch, which is reported as cash on hand and receivables as disclosed on the balance sheet.

There are no held to maturity investments available or for sale financial assets.

1.10 Financial Liabilities

The Reporting Unit's current liabilities include unrepresented cheques and GST payable.

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either held for trading or it is designated as at fair value through profit or loss.

Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs.

The Reporting Unit derecognizes financial liabilities when, and only when, the Reporting Unit's obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

1.11 Employee Benefits

The Reporting Unit has no employees and does not have to account for employee benefits.

1.12 Land, Buildings, Plant and Equipment

The Reporting Unit has no land, buildings, plant or equipment. The Real Estate Association of NSW provides premises and equipment necessary to enable the day to day operations and activities of the Reporting Unit and to ensure ongoing service to members and the industry as a whole.

1.13 Taxation

The Reporting Unit is exempt from income tax (under Section 50.1 of the Income Tax Assessment Act 1997) however still has obligation for the Goods and Services Tax (GST).

Revenue is subject to GST and as such is shown in the financial reports as nett of the amount of GST.

The Reporting Unit is registered for GST and reports to the Australian Taxation Office as required.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.14 Going Concern

The Reporting Unit is not reliant on the agreed financial support of any other Reporting Unit to continue on a going concern basis. There is no reason to believe that the Reporting unit cannot continue as a going concern.

1.15 Leases

The Reporting unit has no leases.

1.16 Fair Value Measurement

The reporting unit measures financial instruments, such as financial assets as at fair value through the profit and loss at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the reporting unit. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The reporting unit uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the reporting unit determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the reporting unit has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

Note 2. Cash Flow Reconciliation

Reconciliation of cash and cash equivalents as per Balance Sheet to Cash Flow statement:

Cash Flow statement (at end)	\$38,118.89
Balance sheet	\$38,118.89

Reconciliation of net cash from Operating activities to deficit:

Profit for the year	\$15,163.86
Difference (between debtors/creditor totals)	-\$13,108.31
Net cash flows	\$2,055.55

Note 3. Events after the Reporting period

The Reporting Unit, under its rules, receives capitation fees from its branches. On 31 December 2014 income derived from Registration of Schedule E Agreements ceased. This will affect the long term viability of the organisation.

Note 4. Notice Under Section 272

In accordance with the requirements of the Fair Work (registered Organisations) Act 2009 the attention of members is drawn to the provisions of sub-sections (1) (2) and (3) of the Fair Work (Registered Organisations) Act 2009 which reads as follows:

Analysis and Discussion of risk (market, liquidity and credit risk) and how Reporting Unit manages this

Credit Risk

The Reporting Unit's maximum exposure to credit risk in relation to its cash at bank is their carrying amount as indicated in the balance sheet.

Market Risk

The Reporting Unit's cash is a basic financial instrument with a banking institution that does not expose it to market risks. The loan from the state registered counterpart association is subject to risk to the extent of any interest rate increases.

Liquidity Risk

The liquidity position of the Reporting Unit is managed to ensure sufficient liquid funds are available to meet the Reporting Unit's future financial commitments in a timely and cost effective manner.

14. Additional Disclosures

The auditor was paid by the state association.

The auditor was used solely for the purposes of this audit. The amount paid to the auditor for the audit fees was \$3773.00 and as there were no non audit services, there were no other fees paid.

Restructure Note

As a result of the amalgamation which took effect on 1st March 2014, all assets and liabilities belonging to the Property Sales Association (PSAQ) became the assets and liabilities of the Australian Property Services Association (APSA).

In accordance with the rules, those same assets and liabilities were effectively automatically transferred to the new reporting unit known as Australian Property Services Association (Queensland Branch), constituted from and by the members of the deregistered PSAQ.

At the same time, the assets and liabilities belonging to the federally registered Real Estate Association (REA NSW) automatically became its assets and liabilities under its new name Australian Property Services Association (APSA).

However, these assets and liabilities were inadvertently not transferred as required by the Rules to the new reporting unit known as Australian Property Services Association, New South Wales Branch and the inadvertent retention of such assets and liabilities by APSA is reflected in the statement of financial position for the year ended 30th June 2014. This situation expects to be remedied in the 2014/2015 Financial Year, by the transfer of assets and liabilities to the NSW Branch and this should be reflected in the reports for the year ended 30th June 2015.

15. Details of Reporting Unit

The Reporting Unit, during the year, was an organization of employees registered under the *Fair Work (Registered Organisations) Act 2009*, incorporated separately by that Act (in addition to any other framework or instrument of incorporation) within the Commonwealth of Australia. The Reporting Unit's operations are industrial in nature and its principal activities are those typical of a trade union and as set out in the Reporting Unit's Operating Report attached to these financial statements. They include representation of the industrial interests of its members in tribunals, the maintenance and improvement of wages and conditions under awards and/or agreements and/or contracts of employment, the promotion of those objects described under its rules and service to the industry as a whole.

Dear Ms Ellis,

Lodgement of Financial Report - Reminder to lodge on or before 15 January 2015

The Fair Work Commission's (the FWC) records disclose that the financial year of the Australian Property Services Association (the reporting unit) ended on the 30 June 2014.

As you would be aware, the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires that a reporting unit prepare a financial report in accordance with s.253 and then must lodge the financial report within 14 days after the general meeting of members, or if the rules of the reporting unit allow, the Committee of Management meeting (s.268).

The maximum period of time allowed under the RO Act for the completion of the financial reporting process is six months and 14 days after the expiry date of its financial year (s.253, s254, s265, s.266, s.268). For your reporting unit that requires lodgement of its financial report on or before 15 January 2015, and in any event no later than 14 days after the relevant meeting.

The FWC encourages your reporting unit to lodge its financial report at the earliest opportunity in order to ensure compliance with its obligations. Failure of a reporting unit to lodge its financial report is a breach of a civil penalty provision of the RO Act. This can result in the General Manager instituting an inquiry or investigation into a reporting unit's non-compliance under Chapter 11, Part 4 of the RO Act. The actions available to the General Manager following an investigation include issuing Federal Court legal proceedings for breach of a civil penalty provision. The orders available to the Federal Court include imposition of a pecuniary penalty on the organisation or individual officer, whose conduct led to the contravention, of up to \$51,000 per contravention on the organisation and up to \$10,200 per contravention on the individual officer.

Dear Ms Ellis,

**Re: Lodgement of Financial Report - [FR2014/280]
Fair Work (Registered Organisations) Act 2009 (the RO Act)**

The financial year of the Australian Property Services Association (the reporting unit) ended on 30 June 2014.

This is a courtesy letter to remind you of the obligation to prepare and lodge the financial report for the reporting unit by the due date, namely 15 January 2015 (being the expiry date of 6 months and 14 days from the end of the financial year), under s.268 of the RO Act.

The RO Act sets out a particular chronological order in which financial documents and statements must be prepared, audited, provided to members and presented to a meeting. For your assistance, the attached *Timeline/Planner* summarises these requirements.

Fact sheets and guidance notes in relation to financial reporting under the RO Act are provided on the Fair Work Commission website. Further, the General Manager's updated Reporting Guidelines, that apply to all financial reports prepared on or after 30 June 2014, are also available on the website. For your convenience, our webinar video and slides on the Reporting Guidelines have also been placed on the website.

The Fair Work Commission has also developed a model set of financial statements. There is no requirement to use this model but it may be a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards. All of the above information can be accessed through our website under [Financial Reporting](#).

The financial report and any statement of loans, grants or donations made during the financial year (statement must be lodged within 90 days of end of financial year) can be emailed to orgs@fwc.gov.au. A sample statement of loans, grants or donations is available at [sample documents](#).

It should be noted that s.268 is a civil penalty provision. Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$51,000 for a body corporate and \$10,200 for an individual per contravention) being imposed upon an officer whose conduct led to the contravention and/or your organisation.

Should you seek any clarification in relation to the above, please contact me on (03) 8661 7936 or via email at robert.pfeiffer@fwc.gov.au.
