The feedback from Parramatta suggested that a full day was a lot to take in and so we have reduced this session to a half day morning session, focusing on recent legislative changes & on financial governance.

The session is open to registered organisations, employer associations, industrial groups, auditors and peak bodies. At the session you will have the opportunity to directly engage with the Commissioner and staff of the Commission from the education, compliance and finance teams.

Registrations close 16 April 2018

We are already nearing capacity for the venue so if you are interested in attending the Melbourne session, you are invited to express your interest by COB 16 April 2018 to regorgs@roc.gov.au. For those people who attended the Parramatta information session, the Melbourne session will provide very similar although updated sessions.
