

# National Tertiary Education Industry Union (NTEU)

The Registered Organisations Commission is responsible for regulating the financial returns, annual returns, elections and disclosures of registered organisations. These records are available below.

Rules and Rule alterations remain with the Fair Work Commission and the FWC continues to host those records on its [website](#).

## About the NTEU

**Organisation type and coverage:** a union of employees connected to the tertiary or higher education industry

**Financial year:** 1 July to 30 June

**Date of registration:** 18 November 1986

The organisation consists of 52 branches - far more than any other organisation. Each branch is a reporting unit, however, every year the branches apply for certificates under s.271 of the RO Act (no financial affairs in a financial year). Once a s.271 certificate is granted a branch does not need to submit a financial report.

The organisation is divided into Divisions in each state, and further divided into Branches. The organisation, its Divisions and Branches are also divided into Sections.

The organisation is governed by a National Council and a National Executive and by State Divisions and Branches.

Elections across the organisation are conducted every 1, 2 and 4 years. These elections are conducted by the Australian Electoral Commission.

For the current rules, information on rules, rule alterations and permits, please see the Fair Work Commission website. These matters are dealt with by the Fair Work Commission.
